CHARLEROI, WASHINGTON CO., PA., THURSDAY, SEPTEMBER 11, 1913

ONE CENT

PRIZES AWARDED

Drill of Grand Order of Odd Fellows is Brilliant Event

Perhaps the most pleasing spectacle in connection with the convention of the Grand United Order of Odd Fellows which closed here Wednesday night, was the competitive drill which was held at the Charleroi baseball park Wednesday afternoon following the parade. Three prizes were offered \$100, \$50 and \$10 respectively and the competing drill squads were from Patriarche No. 9, Pittsburg; No. 11, Northside, Pittsburg and No. 139 of Washington.

Each company was given twenty minutes in which to execute the manual of the sword and thirteen evolutions and their work in this respect is deserving of special mention. Their military carriage, their cadence, precision and familiarity with the work was a pleasure to see and the judges had a difficult task in making a distinction between them. The drill resulted in the Pittsburg Patriarche taking first prize, the North Side company second prize and the Washington company third prize. The judges were Dr. I. Walter Sutton, Philadelphia, Lieut. Col. Thomas Holand, Philadelphia and George A. Anderson of the Mail.

The drill was in charge of Col. J. W. Anderson and staff of the Second regiment of Pittsburg.

At the conclusion of the drill the convention was re-opened and the new officers for the ensuing year, who had been elected at the morning session, were installed and resolutions were passed thanking the Charleroi lodge the borough officials, the hotels, the press and all others who assisted in making the convention such a complete success.

The closing feature was a dress reception and ball tendered the delegates and their friends by the Household of Ruth of Charleroi. This was held in Night's auditorium and was a fitting climax to a memorable convention.

Today the last of the delegates left for their homes and the next convention will be held at Carlisle in 1915.

At the final meeting of the Household of Ruth, held Wednesday afternoon in Night's auditorium, officers were elected for the year as follows: D. G. M. N. G.—Anna Davis, Harrisburg; D. G. N. G.—Alice N. Card, Philadelphia; D. G. W. D.—Fannie Matthews, Philadelphia; D. G. W. T.—Cora T. Baykin, Pittsburg; D. C. W. R.—M. L. Augusta, Philadelphia; D. P. M. N. G.—Martha Wells, Pittsburg.

Following the election the new officers were immediately installed and took up the reins of the organization. The Household then adjourned to re-convene in Carlisle in 1915.

Committee Grateful.

The committee in charge of the local preparations for the Grand United Order of Odd Fellows convention here this week, desires to thank those who assisted in any way to make the convention success in the way of personal help by decorating or in some other manner. 50-11

Members of the Hormell family from various localities in this and other states are today enjoying their first reunion on the old Hormell homestead back of West Brownsville.

Entertain For Grand Officers

Upward of 200 guests were in attendance Wednesday night, when Charleroi lodge No. 1240 Royal Arcanum held a reception for grand lodge officers. Arthur B. Eaton, of Philadelphia, grand regent, was in attendance together with a number of other notable Arcanums and guests attended from Pittsburg, Monongahela, Monessen, Donora and other towns throughout the valley.

The regular routine of business was transacted and six candidates were initiated. Following the regular lodge session a reception and banquet was tendered the guests and a committee in charge of G. T. Barger served an appetizing repast. Addresses were made by the grand officers and others present.

BOOSTER WEEK UNSUCCESSFUL

Such is Understood to be Complaint of Monessen Business Men

Because it failed of its intended purpose to reap for the business men of Monessen the rich financial harvest expected, it is said Monessen has sworn off the Booster week idea. Last week the town was the busiest place in the whole valley, it seems, but the business didn't come in the volume that the money went out.

Monessen conceived the idea of a Booster week sometime in August and in beginning preparations for that discovered its fifteenth birthday was at hand. So the combined celebration was planned to take place the first week in September.

Wonderful entertainment was contracted for. Principal among the events considered was an aeroplane fight each day by an experienced bird man from New York. In spite of the fact that his lowest price was close to \$1,000 for a week's engagement, he was engaged. Everybody turned in for the entertainment part of the program and helped out.

Business men helped and smiled a smile of content. They knew that the reason for the celebration was to get business. After they got the business during the one week of course they expected to hold it and to profit generally. Now it is told that business was crowded out by the entertainment. In other words it seemed there was so much to enjoy that nobody got much chance to do any shopping, and by the end of the week some of the merchants were looking down in the mouth. In fact they are still wearing long faces and if the story comes straight are forswearing any connection with any future event of the kind.

TWO COUNCILS GIVE THIRD ANNUAL DANCE

Monessen council No. 954, and Charleroi Council No. 956 Knights of Columbus, combined in giving what proved to be one of the most enjoyable dances of the summer season at Eldora park Wednesday evening. The affair was their third annual dance.

DENY STORY COAL SALE

Large Tract on Maple Creek Not Disposed of Say Rider Heirs

A story having its origin in the county seat is to the effect that the valuable coal lands in the Maple creek district, owned by the heirs of Joseph Rider has been sold for a sum aggregating \$198,000. The story goes on to say that the tract contains 180 acres and that the price paid for it is the largest in many years. The writer did not know who made the purchase.

The heirs of Joseph Rider are Mrs. Bell Morris and Mrs. Louis Carson, of West Pike Run township. Mrs. Carson was consulted about the sale this morning and stated emphatically that the property had not been sold to the best of her knowledge and that she would undoubtedly know about such a sale if it had been made. The tract is one of the most valuable in Washington county and many would be purchasers have made overtures recently. It lies in an ideal location and each year that it is held by the original heirs enhances its value. Mrs. Carson stated that they were in no hurry to make the sale.

WOULD LIKE TO KNOW FACTS OF EMPLOYMENT

To the Editor of the Mail:

Sir—Many interested citizens in Charleroi would like to know if thorough employees are supposed to spend their time cutting timber on private property and also if they are ordered to fill in private property and add to its value in preference to filling in alleys that need it badly. Does the council know that this is being done. If it does not it should.

A Citizen.

ASK FOR CHANGE IN VOTING PLACE

A petition has been signed and will be presented to the court by voters of the fourth precinct to have the polling place changed from the Charleroi Foundry and Machine company's plant to the building at 910 and 912 McKean avenue formerly occupied by the Charleroi Iron works. It is necessary to change the location owing to the lack of sufficient space.

SINNER INSECURE SAYS EVANGELIST

"The Insecurity of the Sinner" is the topic of the sermon that Rev. A. D. Zahniser, conference evangelist of the Free Methodist church of the Pittsburg district, preached to a large audience at Free Methodist tent services at the playgrounds in "The Pines" Wednesday evening. Rev. Zahniser elaborated his discussion by numerous illustrations proving the necessity of one being continually watchful lest they commit sinful acts that will endanger their chances of salvation.

BROTHER IS HELD

Arrest is Made in Connection With Murder-Inquest Conducted

In connection with the death of John Juglar of Webster, State Trooper Savage of the Monessen detachment of the state police went to Ford City and arrested Frank Juglar, a brother of the dead man, charging him with the crime. He was brought to Monessen and Wednesday was taken to the coroner's inquest at Monongahela. At present he is in the Monessen Jail but will be removed to the county jail at Greensburg tomorrow.

It will be remembered Juglar was found along the roadside near the Henderson mine about ten days ago. He was suffering with a fractured skull and was removed to his home. Later he was taken to the Monongahela hospital where death ensued last Wednesday without his having regained consciousness.

Upon his death the state troopers got busy on the case and found that his brother who had just come over from the old country, had disappeared following the mysterious injury of his brother. A search was made for the fugitive and he was located at Ford City. His arrest followed immediately.

Frank Juglar came to this country about two weeks ago with the intention of purchasing a farm from his brother. After he arrived the brother refused to sell and on the day that his brother was injured the two men were drinking together. In the evening Frank went to John's home and informed his brother's wife that her husband was lying along the roadside and refused to come home. He then disappeared and was not seen again until arrested in Ford City.

In the meantime a search was instigated for John Juglar and he was found on the road suffering with a fractured skull. His death followed as above recorded.

The coroner's jury sitting at Monongahela yesterday heard the evidence in the case and returned a verdict that the dead man came to his death from a blow from an instrument in the hands of some unknown party and recommended that the assassin be apprehended and made to answer to the charge of murder.

The prisoner has no statement to make concerning the injury to his brother, any more than to say that he knows nothing about it; that the dead man was hurt after he left him. He cannot give any reason, however, for his sudden departure from the community.

To Attend Celebration.

Dale Davis, Arthur Rideout and Solomon Jones leave today for Philadelphia where they will attend the emancipation celebration there from September 15 to 20.

The Earnest Workers class of the Washington Avenue Presbyterian church will hold a market at Dawson's Millinery store on Saturday afternoon, Sept. 13. 50-12

Will Attend Alumni Dance.

A number of Charleroi young people will attend the annual dance of the Alumni Association of the Monongahela high school which will be held this evening at Eldora park.

Millinery Opening at Stewart's Saturday September 13th. 47-14

Prison Labor to be Used in the Future

Following a visit to the Washington county court house, the commissioners of Westmoreland county have decided to use prison labor to do the court house cleaning in Greensburg. This system has been in use in this county for some time and is successful has it been that Westmoreland has also adopted the plan. During the year of 1912, the Westmoreland officials paid \$17,127.77 for the work of keeping the court house clean, while in Washington county \$6,146.83 was spent for the same service, with the assistance of prisoners in the county jail.

ELDORA PARK SEASON CLOSSES

Dances to be Featured at Amusement Resort--Season Most Successful

Four dances will feature the closing week of Eldora park. All of them will be made features and will be among the most brilliant events of the entire season at the park.

The first dance of the week will be that given by Mrs. Jenkins of Monongahela on Monday night. All season Monday night dances of Mrs. Jenkins have been among the leading features and every Monday night there was a crowd at the park. The closing dance will in every way be up to the high standard.

The Delmar Club of Monessen, an organization of young men, that has provided numerous pleasant evenings for dancers from many towns will give their last summer dance at the park on Tuesday evening and they are planning to make it an event to be remembered.

On Thursday the Young Ladies' Sodality from Monongahela will give a dance, and J. A. Weber of Finleyville will give a dance on Friday night.

Manager Tom P. Sloan and Assistant Manager Roy S. Sharpnack both pronounce the present season one of the most successful if not the most successful from every standpoint of any season. Outings have been numerous and dances have been more numerous.

ALBA GLASS QUESTION AGAIN IN THE COURTS

A fine of \$2,500 was imposed on the Jefferson Glass company of Follansbee, W. Va. Wednesday in Pittsburg for violating a court decree prohibiting the company from manufacturing a glass which resembled Alba glass manufactured by the Macbeth-Evans Glass company, which some months ago secured an injunction prohibiting the Jefferson company from manufacturing Moonstone glass. C. H. Blumenauer president of the Jefferson company arrested for contempt, furnished \$20,000 bail and was released. He furnished an affidavit that he would not manufacture Moonstone glass any more.

HOT FIGHT SCHEDULED

Primary Battle in Charleroi Promises to Wage Warm

One of the hottest primary fights that Charleroi ever saw is predicted for next Tuesday, when nominations will be made for the office of Burgess together with nominations for council, tax collector and school board. The chief fight will take place in the nomination for Burgess on both the Democratic and Republican tickets.

Dr. J. W. Mason and S. L. Woodard will fight it out for the nomination on the Democratic ticket for Burgess. Guests are not being made as to the outcome, but friends of both are actively lining up voters so that the Democrat's vote promises to be larger this year at the primaries than ever before in history.

There will be a three-cornered battle on the Republican ticket. The candidates are Capt. J. K. Hein, Charles O. Frye, and R. J. Whitehead. The three-cornered aspect leaves the probable outcome a puzzle. One place where no puzzle exists is in the nomination for Burgess on the Washington party ticket. John Majors an ex-Burgess is the only candidate.

Four councilmen are to be elected at the November election and it is believed that each of the three leading parties will have candidates nominated.

IMPERIAL TO START IN FULL ON FRIDAY

Tomorrow the large tank at the Imperial Glass company's Charleroi plant will be fired. With the starting of the large tank the factory will be running in full. Both the larger and the small tanks were suspended on July 31, for the annual shutdown. The small tank was started again on August 18.

THE MOVIES GET GOVERNOR TENER

The Pennsylvania Railroad company is taking a series of moving pictures between Philadelphia and Pittsburg, for exhibition at the Panama exposition. On Wednesday the movie men reached Harrisburg and set up their machine near the capitol where they could get the approach and departure of notables during the day. Governor Tener fell a victim to the camera as he entered the south wing as did also a number of other characters familiar in the state capital. It is the intention of the Pennsylvania company to show the important points of interest along the line.

Plum Crop Heavy.

The village of Independence has quite a reputation for the large crop of Damson plums which it sends to the market each year. This year it is expected that at least 300 bushels of plums will be gathered from the trees in the town. These find a ready market at from \$2.50, to \$3.00 per bushel.

WHY OUR CITIES LACK BEAUTY

H. T. Parker, a Boston writer of
considerable eminence has discovered
the reason says the New York Mail
why American cities as a rule are un-
beautiful, while their suburbs are
beautiful; and he has discovered it at
the moment of noting the fact that
nearly all German cities are beauti-
ful, while their suburbs are insigni-
ficant. The secret lies in this—that
the rich American, when he has
money to spend in building, always
spends it on his residence and builds
that residence, as a rule in a beautiful
place in the country; whereas the
rich German contents himself with a
modest apartment or little house in
which to live, but is immediately on
his mettle when he thinks of build-
ing his store, his manufactory or his
bank.

The German in such a situation,
calls as great an architect as he can
possibly afford and puts up a fine
building, which may be his man-
agement for generations. And together
with the structures reared by simi-
larly-minded "industrialists" it makes
of his town a beautiful place, in
which he has constant pride.

There is much truth in this gen-
eralization. The average American
business man is satisfied with his
store, or his manufactory, or his
warehouse, if it is big and conven-
ient. It does not occur to him that
it ought to be beautiful. A business
building that is externally a mere
barracks, in a line with other bar-
racks, contents him well enough.
What is it for but to make money in
—money with which he can render
his family comfortable and happy,
money which will enable his wife and
children to spend their time agree-
ably in a beautiful place?

So we have dingy cities in Ameri-
ca, or at least dingy commercial and
manufacturing quarters and beauti-
ful homes in the country or the sub-
urbs.

ELECTRIC SPARKS

Only the fact that the excitement
incidental to the recent Greene county
murder was not premeditated will
prevent it from being too much for
Greene county folks to bear, with the

It remains to be seen whether the

it has been lost to the enemy.

Uncle Snooks Puzzled.
"What puzzles me," said Uncle
Snooks, as he looked up from a book
he was consulting, "is this. If a man
is standing on the side of a hill or
mountain, how is he to settle in his
mind whether he is on an acclivity
or a declivity? According to my dic-
tionary here, the former is 'a slope
up,' and the latter 'a slope down.' I've
never yet seen a slope up that didn't
slope down."

Loyalty an Essential.
Loyalty is one of the most import-
ant essentials to business success.
We place this ahead of brains, ability
or experience. While these are not
only important, but absolutely neces-
sary to secure the greatest success in
one's chosen work, yet without loyalty
of the absolutely dependable kind the
employee's chance is greatly mini-
mized.

Hot Corn Bags.
An excellent substitute for the ex-
pensive hot water bottle of rubber is
made by heating common field corn,
shelled, in a pan in the oven. When
thoroughly warmed, pour it into cloth
bags, such as salt and sugar are pack-
ed in. These filled bags are light and
pliable, and satisfactorily answer ev-
ery purpose of the hot water bottle.

"That Million Dollar Look!"

Go and See This Wonderful Photo-Play to Appear at The Palace Theatre, Charleroi, Thursday and Friday, September 11th and 12th

At my own private and personal expense, I have brought to this town one of the greatest picture-plays that has ever been produced.

For years, I have been waiting for some book or play, or sermon, that would make clear the powerful lesson that this picture shows. It is a lesson that means greater success—business success, social success, personal success to every man who will take it home to himself—and apply it in his daily living.

I brought this picture to The Palace because I believe that every red-corpuscled American man who sees it can reap a profit from it—and become a bigger man through it—and I want to do my share to get it before as many folks right here as home as I can. It's helped me—and I want you to enjoy its help too.

I am not going to spoil your enjoyment, your "thrill" and excitement by telling you here what the story is. Wait and enjoy the surprise for yourself.

I'm simply going to go on record with the statement that it will grip you from the first exposure to the last scene—and make you say a hundred times "Why wasn't this picture ever thought of before?"

Men have lost untold opportunities, have sacrificed dearest ambitions; have handicapped hopes of years, purely and solely through a lack of knowledge that this picture vividly and dramatically imparts.

Men have excluded themselves out of big business gains, have closed the doors to countless success chances, have defeated themselves, not only in business, but in politics, in society—YES, EVEN IN LOVE—because they never studied and mastered the lesson that this picture makes clear to them.

If you want to play the game of success skillfully and victoriously; if you want to be a dominating factor in life's power circles—

Then don't fail to see "That Million Dollar Look" at The Palace Theatre.

SAMUEL L. McCALMONT
OF MT. PLEASANT TOWNSHIP
FOR
DIRECTOR OF THE POOR
WASHINGTON PARTY RULES

"Sam" McCalmont is one of the best known farmers of Washington County. For more than 125 years the name of McCalmont has been a familiar one, especially in the northern end of the county. Sam's experience as a farmer and his knowledge of business affairs make him well qualified to fill the office to which he aspires.

Go to the polls on Tues., Sept. 16, ask for a Washington Party Ballot and mark an X opposite the name of Samuel L. McCalmont.

Stop That Leakage

Benjamin Franklin says, "Beware of little expense, a small leak will sink a ship."

If you will stop a small leakage in your household expenditures (the nickels and dimes that go for useless luxuries) and start a saving account with this bank, you'll soon find your domestic ship on the high sea of prosperity.

I only require a dollar to get started in the right way and then by adding a small portion of your salary each pay day, you will be surprised at the results.

FOR BURGESS

To the Voters of Charleroi:

At the primary election on Tuesday, September 16, 1913, I will be a candidate for Burgess on the Democratic ticket. I have been a taxpayer in Charleroi and North Charleroi boroughs for fifteen years, and a constant voter of the Democratic political faith. In the primary election, kindly give me a little consideration with the rest of the candidates.

Respectfully,

S. L. Woodward

FOR TAX COLLECTOR

To the Voters of Charleroi:

At the primary election to take place on Tuesday, September 16, I will be a candidate on the Washington Party Ticket for the office of Tax Collector. As accountant I have had 10 years experience, and as auditor of borough finances for two years, I have become familiar with the work of tax collecting. I am a property holder and tax payer and alive to the interests of the borough. In casting your vote at the primary election, I ask your kindly consideration.

Respectfully

PRIZES AWARDED

Drill of Grand Order of Odd Fellows is Brilliant Event

Perhaps the most pleasing spectacle in connection with the organization of the Grand United Order of Odd Fellows which closed here Wednesday night, was the competitive drill which was held at the Charleroi baseball park Wednesday afternoon following the parade. Three prizes were offered \$100, \$50 and \$40 respectively and the competing drill squads were from Patriarch No. 9, Pittsburgh; No. 11, Northside, Pittsburgh and No. 139 of Washington.

Each company was given twenty minutes in which to execute the manual of the sword and nineteen evolutions and their work in this respect is deserving of special mention. Their military carriage, their cadence, precision and familiarity with the work was a pleasure to see and the judges had a difficult task in making a distinction between them. The drill resulted in the Pittsburgh Patriarch taking first prize, the North Side company second prize and the Washington company third prize. The judges were Dr. I. Walter Sutton, Philadelphia, Lieut. Col. Thomas Holland, Philadelphia and George A. Anderson of the Mail.

The drill was in charge of Col. J. W. Anderson and staff of the Second regiment of Pittsburgh.

At the conclusion of the drill the convention was re-opened and the new officers for the ensuing year, who had been elected at the morning session, were installed and resolutions were passed thanking the Charleroi lodge the borough officials, the hotels, the press and all others who assisted in making the convention such a complete success.

The closing feature was a dress reception and ball tendered the delegates and their friends by the Household of Ruth of Charleroi. This was held in Night's auditorium and was a fitting climax to a memorable convention.

Today the last of the delegates left for their homes and the next convention will be held at Carlisle in 1915.

At the final meeting of the Household of Ruth, held Wednesday afternoon in Night's auditorium, officers were elected for the year as follows: D. G. M. N. G.—Anna Davis, Harrisburg; D. G. N. G.—Alice N. Card, Philadelphia; D. G. W. D.—Fannie Matthews, Philadelphia; D. G. W. T.—Cora T. Baykin, Pittsburgh; D. G. W. R.—M. L. Augusta, Philadelphia; D. P. M. N. G.—Martha Wells, Pittsburgh.

Following the election the new officers were immediately installed and took up the reins of the organization. The Household then adjourned to re-convene in Carlisle in 1915.

Committee Grateful.

The committee in charge of the local preparations for the Grand United Order of Odd Fellows convention here this week, desires to thank those who assisted in any way to make the convention a success in the way of personal help by decorating or in some other manner. 50-11

Members of the Hornell family from various localities in this and other states are today enjoying their first reunion on the old Hornell homestead back of West Brownsville.

Entertain For Grand Officers

Upward of 200 guests were in attendance Wednesday night, when Charleroi lodge No. 1240 Royal Arcanum held a reception for grand lodge officers. Arthur B. Eaton, of Philadelphia, grand regent, was in attendance together with a number of other notable Arcanums and guests attended from Pittsburgh, Monongahela, Monessen, Donora and other towns throughout the valley.

The regular routine of business was transacted and six candidates were initiated. Following the regular lodge session a reception and banquet was tendered the guests and a committee in charge of G. T. Barger served an appetizing repast. Addresses were made by the grand officers and others present.

BOOSTER WEEK UNSUCCESSFUL

Such is Understood to be Complaint of Monessen Business Men

Because it failed of its intended purpose to reap for the business men of Monessen the rich financial harvest expected, it is said Monessen has sworn off the Booster week idea. Last week the town was the busiest place in the whole valley, it seems, but the business didn't come in the volume that the money went out.

Monessen conceived the idea of a Booster week sometime in August and in beginning preparations for that discovered its fifteenth birthday was at hand. So the combined celebration was planned to take place the first week in September.

Wonderful entertainment was contracted for. Principal among the events considered was an aeroplane flight each day by an experienced bird man from New York. In spite of the fact that his lowest price was close to \$1,000 for a week's engagement, he was engaged. Everybody turned in for the entertainment part of the program and helped out.

Business men helped and smiled a smile of content. They knew that the reason for the celebration was to get business. After they got the business during the one week of course they expected to hold it and to profit generally. Now it is told that business was crowded out by the entertainment. In other words it seemed there was so much to enjoy that nobody got much chance to do any shopping, and by the end of the week some of the merchants were looking down in the mouth. In fact they are still wearing long faces and if the story comes straight are forswearing any connection with any future event of the kind.

TWO COUNCILS GIVE THIRD ANNUAL DANCE

Monessen council No. 954, and Charleroi Council No. 956 Knights of Columbus, combined in giving what proved to be one of the most enjoyable dances of the summer season at Eldora park Wednesday evening. The affair was their third annual dance.

DENY STORY COAL SALE

Large Tract on Maple Creek Not Disposed of Say Rider Heirs

A story having its origin in the county seat is to the effect that the valuable coal lands in the Maple creek district, owned by the heirs of Joseph Rider has been sold for a sum aggregating \$198,000. The story goes on to say that the tract contains 180 acres and that the price paid for it is the largest in many years. The writer did not know who made the purchase.

The heirs of Joseph Rider are Mrs. Bell Morris and Mrs. Louis Carson, of West Pike Run township. Mrs. Carson was consulted about the sale this morning and stated emphatically that the property had not been sold to the best of her knowledge and that she would undoubtedly know about such a sale if it had been made. The tract is one of the most valuable in Washington county and many would be purchasers have made overtures recently. It lies in an ideal location and each year that it is held by the original heirs enhances its value. Mrs. Carson stated that they were in no hurry to make the sale.

WOULD LIKE TO KNOW FACTS OF EMPLOYMENT

To the Editor of the Mail: Sir:—Many interested citizens in Charleroi would like to know if borough employees are supposed to spend their time cutting timber on private property and also if they are ordered to fill in private property and add to its value in preference to filling in alleys that need it badly. Does the council know that this is being done. If it does not it should.

A Citizen.

ASK FOR CHANGE IN VOTING PLACE

A petition has been signed and will be presented to the court by voters of the fourth precinct to have the polling place changed from the Charleroi Foundry and Machine company's plant to the building at 910 and 912 McKean avenue formerly occupied by the Charleroi Iron works. It is necessary to change the location owing to the lack of sufficient space.

SINNER INSECURE SAYS EVANGELIST

"The Insecurity of the Sinner" is the topic of the sermon that Rev. A. D. Zahniser, conference evangelist of the Free Methodist church of the Pittsburgh district, preached to a large audience at Free Methodist tent services at the playgrounds in "The Pines" Wednesday evening. Rev. Zahniser elaborated his discussion by numerous illustrations proving the necessity of one being continually watchful lest they commit sinful acts that will endanger their chances of salvation.

BROTHER IS HELD

Arrest is Made in Connection With Murder-Inquest Conducted

In connection with the death of John Juglar of Webster, State Trooper Savage of the Monessen detachment of the state police went to Ford City and arrested Frank Juglar, a brother of the dead man, charging him with the crime. He was brought to Monessen and Wednesday was taken to the coroner's inquest at Monongahela. At present he is in the Monessen lockup but will be removed to the county jail at Greensburg tomorrow.

It will be remembered Juglar was found along the roadside near the Henderson mine about ten days ago. He was suffering with a fractured skull and was removed to his home. Later he was taken to the Monongahela hospital where death resulted last Wednesday without his having regained consciousness.

Upon his death the state troopers got busy on the case and found that his brother who had just come over from the old country, had disappeared following the mysterious injury of his brother. A search was made for the fugitive and he was located at Ford City. His arrest followed immediately.

Frank Juglar came to this country about two weeks ago with the intention of purchasing a farm from his brother. After he arrived the brother refused to sell and on the day that his brother was injured the two men were drinking together. In the evening Frank went to John's home and informed his brother's wife that her husband was lying along the roadside and refused to come home. He then disappeared and was not seen again until arrested in Ford City.

In the meantime a search was instigated for John Juglar and he was found on the road suffering with a fractured skull. His death followed as above recorded.

The coroner's jury sitting at Monongahela yesterday heard the evidence in the case and returned a verdict that the dead man came to his death from a blow from an instrument in the hands of some unknown party and recommended that the assailant be apprehended and made to answer to the charge of murder.

The prisoner has no statement to make concerning the injury to his brother, any more than to say that he knows nothing about it, that the dead man was hurt after he left him. He cannot give any reason, however, for his sudden departure from the community.

To Attend Celebration.

Dale Davis, Arthur Rideout and Solomon Jones leave today for Philadelphia where they will attend the emancipation celebration there from September 15 to 30.

The Earnest Workers class of the Washington Avenue Presbyterian church will hold a market at Dawson's Millinery store on Saturday afternoon, Sept. 13. 50-12

Will Attend Alumni Dance.

A number of Charleroi young people will attend the annual dance of the Alumni Association of the Monongahela high school which will be held this evening at Eldora park.

Prison Labor to be Used in the Future

Following a visit to the Washington county court house, the commissioners of Westmoreland county have decided to use prison labor to do the court house cleaning in Westmoreland. This system has been in use in this county for some time and to successful has it been that Westmoreland has also adopted the plan. During the year of 1912, the Westmoreland officials paid \$17,327.77 for the work of keeping the court house clean, while in Washington county \$6,146.88 was spent for the same service, with the assistance of prisoners in the county jail.

ELDORA PARK SEASON CLOSSES

Dances to be Featured at Amusement Resort—Season Most Successful

Four dances will feature the closing week of Eldora park. All of them will be made features and will be among the most brilliant events of the entire season at the park.

The first dance of the week will be that given by Mrs. Jenkins of Monongahela on Monday night. All season Monday night dances of Mrs. Jenkins have been among the leading features and every Monday night there was a crowd at the park. The closing dance will in every way be up to the high standard.

The Delmar Club of Monessen, an organization of young men, that has provided numerous pleasant evenings for dancers from many towns will give their last summer dance at the park on Tuesday evening and they are planning to make it an event to be remembered.

On Thursday the Young Ladies' Sodality from Monongahela will give a dance, and J. A. Weber of Finleyville will give a dance on Friday night.

Manager Tom P. Sloan and Assistant Manager Roy S. Sharpnack both pronounce the present season one of the most successful if not the most successful from every standpoint of any season. Outings have been numerous and dances have been more numerous.

ALBA GLASS QUESTION AGAIN IN THE COURTS

A fine of \$2,500 was imposed on the Jefferson Glass company of Follansbee, W. Va. Wednesday in Pittsburgh for violating a court decree prohibiting the company from manufacturing a glass which resembled Alba glass manufactured by the Macbeth-Evans Glass company, which some months ago secured an injunction prohibiting the Jefferson company from manufacturing Moonstone glass. C. H. Blumenauer president of the Jefferson company arrested for contempt, furnished \$20,000 bail and was released. He furnished an affidavit that he would not manufacture Moonstone glass any more.

HOT FIGHT SCHEDULED

Primary Battle in Charleroi Promises to Wage Warm

One of the hottest primary fights that Charleroi ever saw is predicted for next Tuesday, when nominations will be made for the office of Burgess together with nominations for council, tax collector and school board. The chief fight will take place in the nomination for Burgess on both the Democratic and Republican tickets.

Dr. J. W. Manon and S. L. Woodard will fight it out for the nomination on the Democratic ticket for Burgess. Guesses are not being made as to the outcome, but friends of both are actively lining up voters so that the Democratic vote promises to be larger this year at the primaries than ever before in history.

There will be a three-cornered battle on the Republican ticket. The candidates are Capt. J. K. Hein, Charles O. Frye, and R. J. Whitehead. The three-cornered aspect leaves the probable outcome a puzzle. One place where no puzzle exists is in the nomination for Burgess on the Washington party ticket. John Majors an ex-burgess is the only candidate.

Four councilmen are to be elected at the November election and it is believed that each of the three leading parties will have candidates nominated.

IMPERIAL TO START IN FULL ON FRIDAY

Tomorrow the large tank at the Imperial Glass company's Charleroi plant will be fired. With the starting of the large tank the factory will be running in full. Both the large and the small tanks were suspended on July 31, for the annual shutdown. The snail tank was started again on August 18.

THE MOVIES GET GOVERNOR TENER

The Pennsylvania Railroad company is taking a series of moving pictures between Philadelphia and Pittsburgh, for exhibition at the Panama exposition. On Wednesday the movie men reached Harrisburg and set up their machine near the capitol where they could get the approach and departure of notables during the day. Governor Tener fell a victim to the camera as he entered the south wing as did also a number of other characters familiar in the state capital. It is the intention of the Pennsylvania company to show the important points of interest along the line.

Plum Crop Heavy.

The village of Independence has quite a reputation for the large crop of Damson plums which it sends to the market each year. This year it is expected that at least 300 bushels of plums will be gathered from the trees in the town. These find a ready market at from \$2.50 to \$3.00 per bushel.

WHY OUR CITIES LACK BEAUTY

H. T. Parker, a Boston writer of
considerable eminence has discovered
a reason says the New York Mail
why American cities as a rule are un-
beautiful, while their suburbs are
beautiful; and he has discovered it at
the moment of noting the fact that
early all German cities are beauti-
ful, while their suburbs are insigni-
ficant. The secret lies in this—that
the rich American, when he has
money to spend in building, always
tends to his residence and builds
at residence, as a rule in a beautiful
place in the country; whereas the
German contents himself with a
modest apartment or little house in
which to live, but is immediately on
his mettle when he thinks of build-
ing his store, his manufactory or his
bank.

The German in such a situation,
looks as great an architect as he can
possibly afford and puts up a fine
building, which may be his manu-
facturing plant for generations. And together
with the structures reared by simi-
larly-minded "industrialists," it makes
of his town a beautiful place, in
which he has constant pride.

There is much truth in this gen-
eralization. The average American
business man is satisfied with his
store, or his manufactory, or his
warehouse, if it is big and conven-
ient. It does not occur to him that
it ought to be beautiful. A business
building that is externally a mere
shack, in a line with other shacks,
looks contents him well enough.
What is it for but to make money in
—money with which he can render
his family comfortable and happy,
money which will enable his wife and
children to spend their time agree-
ably in a beautiful place?

So we have dingy cities in Ameri-
ca, or at least dingy commercial and
manufacturing quarters and beauti-
ful homes in the country or the sub-
urbs.

We are now showing our new Fall line
of piece goods. We have the newest
things in Ratine, Corderoy, Serge, Whip-
cords, Brocades, Plaids and Velvet in all
shades. Just the thing you want for the
new fall dresses.

We are also showing a new and com-
plete line of wool and cotton blankets and
comforts.

ELECTRIC SPARKS

Only the fact that the excitement
incidental to the recent Greene county
murder was not premeditated will
prevent it from being too much for
Greene county folks to bear, with the
...michaels fair coming on.

It remains to be seen whether the
country has been saved again by the
passage of the tariff bill, or whether
it has been lost to the enemy.

If the average man spoke like a
telephone central they would put him

That suggestion to trade off Harry

Uncle Snooks Puzzled.
"What puzzles me," said Uncle
Snooks, as he looked up from a book
he was consulting, "is this. If a man
is standing on the side of a hill or
mountain, how is he to settle in his
mind whether he is on an acclivity
or a declivity? According to my dic-
tionary here, the former is 'a slope
up,' and the latter 'a slope down.' I've
never yet seen a slope up that didn't
slope down."

Loyalty an Essential.
Loyalty is one of the most impor-
tant essentials to business success.
We place this ahead of brains, ability
or experience. While these are not
only important, but absolutely neces-
sary to secure the greatest success in
one's chosen work, yet without loyalty
of the absolutely dependable kind the
employee's chance is greatly mini-
mized.

Hot Corn Bags.
An excellent substitute for the ex-
pensive hot water bottle of rubber is
made by heating common field corn,
shelled, in a pan in the oven. When
thoroughly warmed, pour it into cloth
bags, such as salt and sugar are pack-
ed in. These filled bags are light and
pliable, and satisfactorily answer ev-
ery purpose of the hot water bottle.

Didn't Look Good to Her.
My five-year old niece went to
a restaurant with me one day. I or-
dered some hash for both of us.
When the waitress set it on the table
my little niece kept looking at it. I
asked her why she didn't eat and she
replied, "Aunt, I don't eat anything
that looks like a puzzle to me."—Chi-
cago Tribune.

"That Million Dollar Look!"

Go and See This Wonderful Photo-Play to Appear at The Palace Theatre, Charleroi, Thursday and Friday, September 11th and 12th

At my own private and personal expense, I have brought to this town one of the greatest picture-plays that has ever been produced.

For years, I have been waiting for some book or play, or sermon, that would make clear the powerful lesson that this picture shows. It is a lesson that means greater success—business success, social success, personal success to every man who will take it home to himself—and apply it in his daily living.

I brought this picture to The Palace because I believe that every red-corporated American man who sees it can reap a profit from it—and become a bigger man through it—and I want to do my share to get it before as many folks right here at home as I can. It's helped me—and I want you to enjoy its help too.

I am not going to spoil your enjoyment, your "thrill" and excitement by telling you here what the story is. Wait and enjoy the surprise for yourself.

I'm simply going to go on record with the statement that it will grip you from the first exposure to the last scene—and make you say a hundred times "Why wasn't this picture ever thought of before?"

Men have lost untold opportunities, have sacrificed dearest ambitions; have handicapped hopes of years, purely and solely through a lack of knowledge that this picture vividly and dramatically imparts.

Men have enchained themselves out of big business gains, have closed the doors to countless success chances, have defeated themselves, not only in business, but in politics, in society—YES, EVEN IN LOVE—because they never studied and mastered the lesson that this picture makes clear to them.

If you want to play the game of success skillfully and victoriously; if you want to be a dominating factor in life's power circles—

Then don't fail to see "That Million Dollar Look" at The Palace Theatre.

Benjamin Franklin says, "Beware of little expense: a small leak will sink a ship."

If you will stop the all too generous leakage in your household transactions (the nickels and dimes that go for needless luxuries) and start a savings account with this bank, you'll soon find your domestic ship on the high sea of prosperity.

It only requires a dollar to get started in the right way and then by adding a small portion of your salary each pay day, you will be surprised at the results.

FOR BURGESS

To the Voters of Charleroi:

At the primary election on Tuesday, September 16, 1913, I will be a candidate for Burgess on the Democratic ticket. I have been a taxpayer in Charleroi and North Charleroi boroughs for fifteen years, and a consistent voter of the Democratic political faith. In casting your vote at the primary election, kindly give me a little consideration with the rest of the candidates.

Respectfully,

FOR TAX COLLECTOR

To the Voters of Charleroi:

At the primary election to take place on Tuesday, September 16, I will be a candidate on the Washington Party Ticket for the office of Tax Collector. As accountant I have had 10 years experience, and as auditor of borough finances for two years, I have become familiar with the work of tax collecting. I am a property holder and tax payer and alive to the interests of the borough. In casting your vote at the primary election, I ask your kindly consideration.

Special Purchase in Ladies' Suits

When on our last buying trip to New York we were able to make some exceptional Suit purchases for spot cash and we are going to sell them to you on the same low basis. We consider them the best suits for little money we've ever brought to the town. These came in black, blue, copen, brown and some mixtures and fancies. Neatly tailored and trimmed. There are two particular lots and the special prices are
\$13.75 and \$16.75

Handsome Suits, splendid value. Only during these four days and then they go at their regular prices. The newest of these suits for a quick sale.

NINE CENTS WILL DO WONDERS here on these four days. We have goodly quantities but there will be a rush for some of these splendid bargains, so come the first day if possible. Closing out all summer goods at the heaviest cuts of the season. Dont overlook the importance of the special sale items in wearables.
